## On the fiddle?

Eric Swan's life comes tumbling down around him following a phone call to the Department of Social Security!

You see, Eric's been fiddling the system since he lost his job a few years ago, inventing a string of fake identities to claim benefits for. Now he's trying to get out of it, but his efforts to back out of his scheme backfire hilariously when the benefits inspector comes knocking...

What follows is a cavalcade of comedy, as Eric's misfortune is compounded by several unwelcome visitors, a rebellious washing machine, and a misunderstanding over some recreational cross-dressing.

**Can he lie his way out of trouble,  
or is this the end of his scheming?**

A warm welcome and licensed bar awaits you at our easy-to-find Studio Theatre.

Stairlift and disabled toilet facilities available.

There is no parking at the theatre but plenty of local car parks are available off Shirley High Street (no charge after 6pm).
