# Absurd Person Singular

By Alan Ayckbourn

**Three couples, Three Christmases, Three kitchens.**

Can the Hopcrofts impress their bank manager and his wife?

Can Geoffrey Jackson pull off a Christmas party despite his wife mental state - if the guests can get past George, the dog, that is?

Can the Brewster-Wright's enjoy Christmas Eve without the Hopcrofts' exuberant appearance?

A lot can happen over three years and, in this black comedy, it certainly does!

Inside every one of us hides a Singularly Absurd Person...

**...do you recognise yours?**

**You won't want to miss these hilarious Christmas**
