The Maskers Theatre Company was founded on 25th July 1968 to mount a touring production of "Much Ado About Nothing" and the Company, now, 25 years later, is firmly established as the leading amateur group in the area with over 200 productions large and small to its credit. We perform annually at the Theatre Royal Winchester, The Nuffield Theatre Southampton and for two weeks each July in the beautiful setting of Mottisfont Abbey - in the open air.

New members are always welcome in any capacity - actors or backstage crew. Please phone our membership secretary Betty Riggs on (0703) 472619 for further information.

The Maskers Theatre Workshop Appeal was launched in February last to pay for the freehold of a two-storey building in Shirley Southampton which we are converting into a rehearsal studio, workshop, technical and costume store, office and clubroom. Work is progressing well and we are fortunate to have been so wonderfully supported by those companies who are featured and acknowledged in this programme. We are still fundraising hard and welcome your support by donation or offer of materials. We need gas central heating, wall and floor cupboards, ladders, steps, a new studio floor, a piano, wall lights, electrical fittings and paint. If you or your Company can assist, please contact Albie Minns on (0703) 292599 or leave a message for him.

The Maskers are a Registered Charity.
