HUSBAND**

---

An Ideal Husband is a social comedy revolving around Sir Robert Chiltern, a self made politician whose marriage and career are threatened by a blackmailing femme fatale. The lies and deceit that ensue expose politicians and socialites alike as having reputations that are not as they thought them to be.

This brilliant drawing room comedy has had audiences enthralled since 1895. The play is packed with choice "one-liners" and pithy witticisms which are still used by people today.

Wilde's wit is guaranteed to grip the audience to the very end!
