Co-ordinators Notes

Of all the hateful things in life, writing 'Co-ordinator's Notes' is one of the worst. I'd rather watch Village Hall Panto! I like to write sketches, and new lyrics to songs – they don't have to mean anything, but with 'Notes' you have to say what you mean, and I can't say what I really mean, because you'll probably not read this anyway, and because what I want to say is 'Audience, come to the studio tonight, stand in the bar, warm in your Christmas jumper, then slip yourself into the comfy chairs of the theatre, put your feet up, sit back and watch Not The Maskers Christmas Show, then turn to me, in front of the lovely golden curtain, and let me hold a festive sing-song with you.'

Rather desperate, but I've written it, in as many words – can't go around all day with stage fright!

Merry Christmas
