# An Italian Straw Hat

Tuesday 24 - Saturday 28 January 2017 at 7:30pm

Ah, the morning of your wedding day...the flurry of excitement, getting the outfit just right...keeping up appearances in the face of utter social chaos...

Join our dashing hero Fadinard on just such a morning, as he is about to get married to Helene. All is going swimmingly until an attractive lady shows up, followed by her irate lover. For reasons not entirely left to the imagination, these two were occupied in a hedge and the lady's rare Italian straw hat was left unattended, only to have a large bite taken out of it by Fadinard's horse!

To save everyone's reputation, Fadinard frantically sets off in pursuit of a hat identical to the one his horse has eaten, with the carriages of his wedding guests hot on his heels. Hold on to your hat as we dash around 19th century Paris and bump into a host of colourful characters on the way in what is sure to be the wedding of the year!
